2015

April

Dear Members,

Spring has sprung! As I am sure you have all noticed, the greens are really starting to grow! The efforts of Brad and his golf maintenance staff have yielded results that are much better than we have expected with the extremely cold winter that hit Greenwood. As the temperature increases, so too will the activity at Greenwood Country Club.

Thus far we have been disappointed by the lack of member support for golf tournaments. Of the 9 golf tournaments that have been scheduled since October, all have been cancelled due to lack of participation. We will continue to plan and schedule member events throughout the spring and summer and hope that you will participate. The fun filled competition will not disappoint any member, of any ability. In April we will hold a Masters Par 3 Tournament and a Medal Play Event. In May, there will be a Member/Member tournament, a Medal Play tournament and a Memorial Day Tournament. Don't wait to sign up! You can register now.

In addition to member events, Greenwood Country Club is lucky to be the site for many amateur events. In March we hosted the Lander Bearcat Golf Classic and the Emerald HS Viking Golf Classic. In April, we will host the Greenville Spartanburg Area Junior Tour, The NCAA Peach Belt Conference Championship, the Emerald Seniors and a charity event for the Knights of Columbus. In May, we will host the EMS Society charity event, the Burton Center charity event, the Senior Golfers of South Carolina, the Hurricane Junior Golf Tour and our crown jewel, the Invitational Amateur Championship. This event is comprised of top amateur golfers from the Southeastern United States.

The Golf Pro Shop is fully stocked again. We now have a full array of apparel, which includes Donald Ross (the brand that Ben Martin wears), Foot Joy and Divots Private Label. Crocs and Foot Joy Golf Shoes, as well as Foot Joy loafers are also available in the shop. Now is the time to get new clubs. We stock Titleist and Cobra clubs and have a multitude of demos for you to try. Not sure what to get? See a member of the professional staff and we will fit you for custom clubs or point you in the right direction. Stop by the Golf Pro Shop and see what we have to offer! Don't forget, as a member, you get the best price possible on apparel and equipment. We guarantee to be priced lower than any other golf shop or store!

As we upgrade aspects of the club, technological advancements, in particular will become more prevalent. The club will launch a new website this month and will incorporate a new, electronic tee sheet. Members will have the ability to book tee times online 30 days in advance. A training session for use of the new electronic tee time booking system will be held later this month. In order to utilize this new technology and to better serve you as members, tee times booked after we launch the new system will require names of all players when making the reservation.

Through October, the Golf Pro Shop will be open from 7:30am – 6:00pm, Tuesday – Sunday. The practice facility will be open from 7:30am-7:00pm or Dusk (whichever happens first) on Tuesday– Sunday. On Wednesdays & Sundays, the Practice Facility will close at 5:00pm to prepare for weekly maintenance. Reminder: The Golf Course is closed for play on Mondays. This includes all members.

We look forward to seeing you all around the Club these coming months.

Kindest Regards,

Your Greenwood Country Club Team
