2015

February

Dear Members,

*The Course is Closed... Cart Path Only... Frost Delay...*

Unfortunately, those words have been commonplace in the past month at the club. With steady days of rain and temperatures as low as 7 degrees, we have experienced quite a few days of wet and frozen conditions. As cabin fever has begun to set in, we look forward to better golfing conditions and to seeing all of you back on the golf course again. We are excited for the warmer weather and all of the fun tournaments that are planned for the year.

*Has the cold, wet weather left your game a little rusty?*

If so, stop by the Golf Pro Shop and find out about end of winter golf instruction specials and pre-season tune up packages. Wednesday after school golf clinics will resume in March. Introduce your children or grand children to the game through this fun filled program.

Kindest Regards,

Your Greenwood Country Club Team

## DIRECTOR OF TENNIS – GARY AGARDY

Updating your email address and phone number will keep you up to date on what's happening at the GCC Tennis Facility. Please email Liz at [ldunton@greenwoodcountryclub.com](mailto:ldunton@greenwoodcountryclub.com)

**As the New Year begins, so does the preparation for the 2015 Tournaments.** A tournament needs more than just participants to be successful...*Tournament Staff, made up of the Referee and sometimes Deputy Referee, Tournament Director, and Tournament Committee do all of the behind the scenes preparation.*

Besides the normal preparation of the tournament staff, every tournament needs volunteers, a meal, balls, water-ice and a gift for all players. Local businesses, members and individuals are vital to hosting outstanding tournaments by offsetting costs. In the past, you have contributed by purchasing cases of tennis balls, sponsoring tournaments, purchasing the gifts and many other things.

**Anything you can contribute is greatly appreciated.**

Tournament Staff goes out in the community and asks businesses to become Title Sponsors of a tournament or even sponsor a court. Sponsors will always be recognized during the tournament.

**The Winter Time can be tricky will our clay courts.**

The courts will freeze when temperatures drop below 32 and then begin to thaw when the sun comes out and warms things up. Courts cannot be played on during this thawing process or damage will occur. Please check with the Tennis Shop Staff in the Winter as to whether the courts are playable or not.

*Thank you for your patience, Springtime is right around the corner.*
